Our Vision (<http://www.anderssonwise.com/studio/vision>)

Principals (<http://www.anderssonwise.com/studio/principals>)

Our Team (<http://www.anderssonwise.com/studio/team>)

Arthur W. Andersson, AIA

As Design Director, Arthur's role is to provide leadership by integrating the client into the collaborative process and establishing design concepts. He is the principal in charge of the overall design process and of facilitating client communications through the design phases of each project.

F. Christian Wise, AIA

Besides contributing as a design collaborator, Chris' role is to provide leadership as a Managing Partner. He is the principal in charge through the technical phases of the work and the construction of each project, ensuring that the design concepts are integrated through the entirety of the process.
